NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION

If you purchased or acquired Genoptix, Inc. (“Genoptix” or the “Company”)¹ common stock and/or put and call options beginning on July 31, 2009 and through and including June 16, 2010 and are not otherwise excluded from the Class (see Question 6 below), you could get a payment from a class action settlement.

A federal court authorized this Notice. This is not a solicitation from a lawyer. Your legal rights may be affected whether you act or don’t act. Read this Notice carefully.

SUMMARY OF KEY PROVISIONS AND REASONS FOR SETTLEMENT

Security and Time Period: Purchases or acquisitions of Genoptix common stock and/or put and call options (“Genoptix Publicly Traded Securities”) beginning on July 31, 2009 and through and including June 16, 2010 (“Class Period”).

Settlement Fund: \$7,700,000 in cash plus any interest earned. Your recovery will depend on the timing of your purchases, acquisitions and sales of Genoptix Publicly Traded Securities during the Class Period. Based on the information currently available to Lead Plaintiff and the analysis performed by its damages consultants, it is estimated that if Class Members submit claims for 100% of the shares eligible for distribution under the Plan of Allocation (described below), the estimated average distribution per share of common stock will be approximately \$0.52 before deduction of Court-approved fees and expenses, including the cost of notifying Members of the Class and settlement administration, any attorneys’ fees and expenses awarded by the Court to counsel for the Lead Plaintiff and any award of expenses to Lead Plaintiff for its representation of the Class. Historically, actual claims rates are less than 100%, which result in higher distributions per share. A Class Member’s actual recovery will be a portion of the Net Settlement Fund determined by that claimant’s recognized claim as compared to the total recognized claims of all Class Members who submit valid Proof of Claim and Release forms (“Proof of Claim”).

Reasons for Settlement: The case has been litigated since December 2010. The Lead Plaintiff and Lead Counsel believe that the Settlement provides the Class with a substantial benefit now, in lieu of engaging in years of further litigation – including summary judgment motions, a contested trial and likely appeals – with the risk of no recovery at all after years of continued litigation.

Defendants have denied and continue to deny, *inter alia*, that Lead Plaintiff and the Class have suffered damages, that Defendants or any of them made or caused to be made any alleged material misrepresentation or omission, and that any Defendant acted with scienter in making or causing any alleged material misrepresentation or omission. Nonetheless, Defendants have concluded that further conduct of the Litigation could be protracted and expensive, and that it is desirable that the Litigation be fully and finally settled in the manner and upon the terms and conditions set forth in the parties’ Stipulation. Defendants also have taken into account the uncertainty and risks inherent in any litigation, especially in complex cases like this Litigation.

Neither the Stipulation, nor any of its terms or provisions, nor any of the negotiations or proceedings connected with it, shall be construed as an admission or concession by any of the Defendants of the merit or truth of any of the allegations or wrongdoing of any kind on the part of any of the Defendants.

If the Case Had Not Settled: Continuing with the case could have resulted in loss to either side at summary judgment, trial or on appeal. The two sides vigorously disagree on both liability and the amount of money that could have been won if Lead Plaintiff prevailed at trial. The parties disagree about: (1) whether the Defendants knew the alleged false statements were false when made; (2) the method for determining whether the price of Genoptix Publicly Traded Securities were artificially inflated during the relevant period; (3) whether there was any such inflation and the amount of any such alleged inflation; (4) that there was any wrongdoing on the part of Defendants; (5) the extent that various facts alleged by Lead Plaintiff influenced the trading price of Genoptix Publicly Traded Securities during the Class Period; and (6) whether the facts alleged were material, false, misleading or otherwise actionable under the federal securities laws.

¹ This Notice incorporates by reference the definitions in the Stipulation of Settlement dated as of February 10, 2014 (“Stipulation”), and all capitalized terms used, but not defined herein, shall have the same meanings as in the Stipulation. The Stipulation can be obtained at www.genoptixsecuritiessettlement.com.

Attorneys' Fees and Expenses: Court-appointed Lead Plaintiff's counsel will ask the Court for attorneys' fees of 25% of the Settlement Fund and expenses not to exceed \$100,000, to be paid from the Settlement Fund plus interest. Lead Plaintiff may also apply for its expenses in representing the Class. Lead Plaintiff's counsel have not received any payment for their work over the past three years investigating the facts, prosecuting this Litigation, and negotiating this Settlement on behalf of the Lead Plaintiff and the Class. If the above amounts are requested and approved by the Court, the average cost per share of common stock will be approximately \$0.14 per share.

YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

SUBMIT A PROOF OF CLAIM FORM

If you are a Class Member and do not exclude yourself from the Class, the only way to get a payment is to submit a Proof of Claim form. You may submit a Proof of Claim form and still object to any aspect of the Settlement, the request for an award of attorneys' fees and expenses and/or the Plan of Allocation. If you submit a Proof of Claim form, you give up your right to participate in another lawsuit against the Defendants for the legal claims in this case. See Answer to Question 12 for a more detailed description of what you are giving up if you submit a Proof of Claim form.

EXCLUDE YOURSELF

Get no payment. This is the only option that allows you to participate in another lawsuit against the Defendants for the legal claims being released in this case.

OBJECT

If you are a Class Member and do not exclude yourself from the Class, you may write to the Court if you do not like the Settlement, the request for attorneys' fees and expenses, or the Plan of Allocation. If you submit an objection to the Settlement, Plan of Allocation or the request for an award of attorneys' fees and expenses and do not submit a claim form seeking payment from the Settlement proceeds, your objection may be rejected because you would not have an interest in the Settlement.

GO TO A HEARING

You may ask to speak in Court about the fairness of the Settlement, the request for attorneys' fees and expenses, or the Plan of Allocation.

DO NOTHING

If you do nothing, you will not receive any payment, will not be allowed to object to the Settlement and will give up your right to participate in another lawsuit against the Defendants for the legal claims in this case. See Answer to Question 12 for a more detailed description of what you are giving up if you do nothing.

- These rights and options — **and the deadlines to exercise them** — are explained in this Notice.
- The Court in charge of this case must decide whether to approve the Settlement. Payments will be made if the Court approves the Settlement and, if there are any appeals, after appeals are resolved. Please be patient.

BASIC INFORMATION

1. Why did I get this notice package?

You or someone in your family may have purchased or acquired Genoptix common stock and/or put and call options (collectively referred to as "Genoptix Publicly Traded Securities"), beginning on July 31, 2009 and through and including June 16, 2010.

The Court directed that you be sent this Notice because you have a right to know about a proposed Settlement of a class action lawsuit, and about all of your options, before the Court decides whether to approve the Settlement. If the Court approves it and after any objections or appeals (if there are any) are resolved, the Claims Administrator appointed by the Court will make the payments that the Settlement allows.

This package explains the lawsuit, the Settlement, your legal rights, what benefits are available, who is eligible for them, and how to get them.

The Court in charge of the case is the United States District Court for the Southern District of California, and the case is known as *Construction Workers Pension Trust Fund-Lake County and Vicinity v. Genoptix, Inc., et al.*, Master File No. 3:10-cv-02502-CAB-DHB. The entity that leads the Litigation, City of Ann Arbor Employees' Retirement System, is called the Lead Plaintiff and the company and the individuals it sued are called Defendants.

2. What is this lawsuit about?

This Litigation alleges that Genoptix and certain of its executives violated the federal securities laws by falsely representing throughout the Class Period the true level of demand for the Company's core product – diagnostic testing services for cancers of the blood and bone marrow – by its primary customers – hematologists and oncologists operating private practices. Lead Plaintiff alleges that when Defendants disclosed the truth about the Company's financial results and the demand for the Company's core product, Class Members suffered damages as a result of the decline in the price of Genoptix Publicly Traded Securities.

Defendants deny all of Lead Plaintiff's allegations and further deny that they did anything wrong.

3. Why is this a class action?

In a class action, one or more people called class representatives (in this case, the Court-appointed the City of Ann Arbor Employees' Retirement System as Lead Plaintiff), sue on behalf of people who have similar claims. All of these people and/or entities are called a class or class members. One judge – in this case, United States District Judge Cathy Ann Bencivengo – resolves the issues for all Class Members, except for those who exclude themselves from the Class.

4. Why is there a Settlement?

The Court did not decide in favor of the Lead Plaintiff or Defendants. Instead, the lawyers for both sides of the lawsuit have negotiated a Settlement, with the assistance of the Honorable Layn R. Phillips (Ret.), a former United States District Court Judge, that they believe is in the best interests of their respective clients. The Settlement allows both sides to avoid the risks and cost of lengthy and uncertain litigation and the uncertainty of a trial and appeals, and permits Class Members to be compensated without further delay. The Lead Plaintiff and its attorneys think the Settlement is best for all Class Members. The Defendants have concluded that further defense of the Litigation would be protracted and expensive, and that it is desirable that the Litigation be fully and finally settled in the manner and upon the terms and conditions set forth in the Stipulation. Defendants have also taken into account the uncertainty and risks inherent in any litigation, especially in complex cases such as this Litigation.

WHO GETS MONEY FROM THE SETTLEMENT

To see if you will get money from this Settlement, you first have to determine if you are a Class Member.

5. How do I know if I am part of the Settlement?

The Class includes *all Persons who purchased or acquired Genoptix common stock and/or put and call options beginning on July 31, 2009 and through and including June 16, 2010.*

6. Are there exceptions to being included in the Class?

Yes. Excluded from the Class are (a) all Defendants and their immediate families, (b) Genoptix's former and current officers and directors and their immediate families, and (c) any entity in which these excluded persons have a controlling interest. Also excluded from the Class are those Persons who validly and timely request exclusion from the Class pursuant to this Notice.

7. I'm still not sure if I am included.

If you still are not sure whether you are included, you can ask for free help. You can call the Claims Administrator at 1-877-290-9467 or visit www.genoptixsecuritiessettlement.com for more information; or, you can call Rick Nelson, Shareholder Relations, Robbins Geller Rudman & Dowd LLP, at 1-800-449-4900 for more information; or, you can fill out and return the Proof of Claim described in Question 10 to see if you qualify.

THE SETTLEMENT BENEFITS – WHAT YOU GET

8. What does the Settlement provide?

Genoptix has agreed to pay or cause to be paid \$7,700,000 in cash (the "Settlement Fund"). The Settlement Fund, plus interest earned from the date it is established, less costs, fees, and expenses (the "Net Settlement Fund"), will be divided among all eligible Class Members who send in valid Proofs of Claim ("Authorized Claimants"). Costs, fees, and expenses include Court-approved attorneys' fees and expenses and the expenses of Lead Plaintiff, the costs of notifying Class Members, including the costs of printing and mailing this Notice; the cost of publishing newspaper notice, the costs of claims administration; and taxes on the Settlement Fund.

9. How much will my payment be?

Your share of the Net Settlement Fund will depend on the number of valid Proofs of Claim that Class Members send in and how many Genoptix Publicly Traded Securities you purchased or acquired during the relevant period and when you bought and sold them.

For purposes of determining the amount an Authorized Claimant may recover under the Plan of Allocation, Lead Plaintiff's counsel conferred with their damages consultants and the Plan of Allocation reflects their judgment regarding the relative strengths of the claims at issue in light of the orders issued by the District Court that they believe could have been recovered had Lead Plaintiff prevailed at trial.

In the unlikely event there are sufficient funds in the Net Settlement Fund, each Authorized Claimant will receive an amount equal to the Authorized Claimant's claim, as defined below. If, however, the amount in the Net Settlement Fund is not sufficient to permit payment of the total claim of each Authorized Claimant, then each Authorized Claimant shall be paid the percentage of the Net Settlement Fund that each Authorized Claimant's claim bears to the total of the claims of all Authorized Claimants. Payment in this manner shall be deemed conclusive against all Authorized Claimants.

A "Claim" will be calculated as follows:

The calculation of claims below is not an estimate of the amount you will receive. It is a formula for allocating the Net Settlement Fund among all Authorized Claimants. Because the Court dismissed Lead Plaintiff's claims without prejudice, for the time period July 31, 2009 through February 24, 2010, the allowed claim for any purchase or acquisition of Genoptix's Publicly Traded Securities during this period shall be reduced by 50 percent.

Note: In the case the option was exercised for Genoptix common stock, the amount paid, or proceeds received, upon settlement of the option contract equals the intrinsic value of the option using Genoptix Publicly Traded Securities' closing price on the date the option was exercised.

Note: The combined recovery for the put/call options shall not exceed 3% of the Net Settlement Fund.

For Class Members who held Genoptix Publicly Traded Securities at the beginning of the Class Period or made multiple purchases, acquisitions or sales during the Class Period, the first-in, first-out ("FIFO") method will be applied to such holdings, purchases, and sales for purposes of calculating a claim. Under the FIFO method, sales of Genoptix Publicly Traded Securities during the Class Period will be matched against the same type of security, in chronological order, first against securities held at the beginning of the Class Period. The remaining sales of Genoptix Publicly Traded Securities during the Class Period will then be matched, in chronological order, against like Genoptix Publicly Traded Securities purchased or acquired during the Class Period.

An Authorized Claimant will be eligible to receive a distribution from the Net Settlement Fund only if a Class Member had a net loss, after all profits from transactions in Genoptix Publicly Traded Securities during the Class Period are subtracted from all losses. However, the proceeds from sales of Genoptix Publicly Traded Securities which have been matched against Genoptix Publicly Traded Securities held at the beginning of the Class Period will not be used in the calculation of such net loss.

The Court has reserved jurisdiction to allow, disallow or adjust the claim of any Class Member on equitable grounds.

Payment pursuant to the Plan of Allocation set forth above shall be conclusive against all Authorized Claimants. No Person shall have any claim against Lead Plaintiff, any Plaintiffs' counsel, any claims administrator or other Person designated by Lead Plaintiff's counsel or Defendants and/or the Related Parties and/or the Released Persons and/or their counsel based on distributions made pursuant to the Stipulation and the Settlement contained therein, the Plan of Allocation, or further orders of

the Court. All Class Members who fail to complete and file a valid and timely Proof of Claim shall be barred from participating in distributions from the Net Settlement Fund (unless otherwise ordered by the Court), but otherwise shall be bound by all of the terms of the Stipulation, including the terms of any order and/or judgment entered and the releases given.

HOW YOU GET A PAYMENT – SUBMITTING A PROOF OF CLAIM FORM

10. How will I get a payment?

To qualify for a payment, you must be an eligible Class Member, send in a valid Proof of Claim form, and properly document your claim as requested in the Proof of Claim form. A Proof of Claim is enclosed with this Notice. Read the instructions carefully, fill out the form, include all the documents the form asks for, sign it, and mail it in the enclosed envelope postmarked no later than July 7, 2014.

11. When would I get my payment?

The Court will hold a hearing on June 20, 2014, at 3:00 p.m., to decide whether to approve the Settlement. If Judge Bencivengo approves the Settlement, there may be appeals. It is always uncertain whether these appeals can be resolved favorably, and resolving them can take time, perhaps more than a year. It also takes time for all the Proof of Claim forms to be processed. If there are no appeals and depending on the number of claims submitted, the Claims Administrator could distribute the Net Settlement Fund as early as nine months after the fairness hearing. Please be patient.

12. What am I giving up to get a payment or stay in the Class?

Unless you exclude yourself, you are staying in the Class, and that means that you cannot sue, continue to sue, or be part of any other lawsuit against the Defendants about the same issues in this case or about issues that could have been asserted in this case. It also means that all of the Court's orders will apply to you and legally bind you and you will release your Released Claims in this case against Defendants and their Related Parties. "Released Claims" means any and all claims, debts, demands, disputes, rights, causes of action, suits, matters, damages, or liabilities of any kind, nature, and character whatsoever (including, but not limited to, any claims for damages, interest, attorneys' fees, expert or consulting fees, and any and all other costs, expenses or liabilities whatsoever), whether under federal, state, local, statutory, common law, foreign law, or any other law, rule or regulation, whether fixed or contingent, accrued or unaccrued, liquidated or unliquidated, at law or in equity, matured or unmatured, including Unknown Claims (as that term is defined in the Stipulation), whether or not concealed or hidden (including, but not limited to, claims for securities fraud, negligence, gross negligence, professional negligence, breach of any duty of care and/or breach of duty of loyalty, fraud, breach of fiduciary duty, aiding and abetting a breach of fiduciary duty, breach of contract, unjust enrichment, corporate waste, or violations of any statutes, rules, duties or regulations) that have been or could have been or in the future could be asserted in any forum, whether foreign or domestic, by Lead Plaintiff or any Class Member, or any Person claiming through or on behalf of them, against any of the Released Persons that concern, arise out of, are based on or relate in any way, directly or indirectly to both (1) any of the allegations, acts, transactions, facts, events, representations, or omissions involved or alleged in the Litigation, or which could have been alleged in the Litigation, and (2) purchase or acquisition of Genoptix Publicly Traded Securities during the Class Period. Released Claims do not include claims to enforce the Settlement.

"Related Parties" means each of a Defendant's past or present directors, officers, employees, partners, insurers, co-insurers, reinsurers, controlling shareholders, attorneys, accountants or auditors, personal or legal representatives, predecessors, successors, direct or indirect parents, direct or indirect subsidiaries, divisions, joint ventures, agents, assigns, spouses, heirs, executors, estates, administrators, related or affiliated entities, any entity in which a Defendant has a controlling interest, any members of any Individual Defendant's immediate family, or any trust of which any Individual Defendant is the settlor or which is for the benefit of any Individual Defendant or his or her family.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you do not want a payment from this Settlement, but you want to keep the right to sue or continue to sue the Defendants on your own about the same issues in this case, then you must take steps to get out of the Class. This is called excluding yourself or is sometimes referred to as "opting out" of the Class.

13. How do I get out of the Class?

To exclude yourself from the Class, you must send a letter by mail stating that you want to be excluded from *Construction Workers Pension Trust Fund-Lake County and Vicinity v. Genoptix, Inc., et al.*, Master File No. 3:10-cv-02502-CAB-DHB. You must include your name, address, telephone number, your signature, the number of shares of Genoptix common stock and/or put and call options you purchased or acquired and sold beginning on July 31, 2009 and through and including June 16, 2010, the dates of such purchases, acquisitions and sales, and the prices paid or received per share for each purchase, acquisition and sale. You must mail your exclusion request postmarked no later than May 22, 2014 to:

Genoptix Securities Litigation
Claims Administrator
c/o Gilardi & Co. LLC
P.O. Box 8040
San Rafael, CA 94912-8040

You cannot exclude yourself on the phone or by e-mail. If you ask to be excluded, you are not eligible to get any Settlement payment, and you cannot object to the Settlement. You will not be legally bound by anything that happens in this lawsuit.

14. If I do not exclude myself, can I sue Defendants for the same thing later?

No. Unless you exclude yourself, you give up any right to sue Defendants and their Related Parties for the claims that this Settlement resolves. Remember, the exclusion deadline is May 22, 2014.

15. If I exclude myself, can I get money from this Settlement?

No. If you exclude yourself, do not send in a Proof of Claim to ask for any money. Once you exclude yourself, you will receive no cash payment even if you also submit a Proof of Claim.

THE LAWYERS REPRESENTING YOU

16. Do I have a lawyer in this case?

The Court appointed the law firm of Robbins Geller Rudman & Dowd LLP to represent you and other Class Members. These lawyers are called Lead Counsel. These lawyers will apply to the Court for payment from the Settlement Fund; you have not been and will not otherwise be charged for their work. If you want to be represented by your own lawyer, you may hire one at your own expense.

17. How will the lawyers be paid?

At the fairness hearing, Lead Plaintiff's counsel will request the Court to award attorneys' fees of 25% of the Settlement Fund and for expenses up to \$100,000, which were incurred in connection with the Litigation. Lead Plaintiff may also apply for its expenses in representing the Class. If awarded, the cost would be approximately \$0.14 per share. This compensation will be paid from the Settlement Fund. Class Members are not personally liable for any such fees or expenses. To date, Lead Plaintiff's counsel have not received any payment for their services in conducting this Litigation on behalf of the Lead Plaintiff and the Class, nor have counsel been paid for their expenses. The fee requested will compensate Lead Plaintiff's counsel for their work in achieving the Settlement Fund and is within the range of fees awarded to class counsel under similar circumstances in other cases of this type. The Court may award less than this amount.

OBJECTING TO THE SETTLEMENT

You can tell the Court that you do not agree with the Settlement, the Plan of Allocation, or Lead Plaintiff's counsel's request for an award of attorneys' fees and expenses.

18. How do I tell the Court that I do not like the Settlement?

If you are a Class Member (and you have not excluded yourself), you can object to the Settlement, the request for attorneys' fees and expenses, Lead Plaintiff's expenses or the Plan of Allocation if you do not like any part of it. You can give reasons why you think the Court should not approve the Settlement, the request for attorneys' fees and expenses, Lead Plaintiff's expenses, or the Plan of Allocation. The Court will consider your views. To object, you must send a signed letter saying that you object to the proposed Settlement in *Construction Workers Pension Trust Fund-Lake County and Vicinity v. Genoptix, Inc., et al.*, Master File No. 3:10-cv-02502-CAB-DHB. Be sure to include your name, address, telephone number, your signature, the number of shares of Genoptix common stock and/or put and call options purchased or acquired beginning on July 31, 2009 and through and including June 16, 2010 and the reasons you object to the Settlement, the requested attorneys' fees and expenses, Lead Plaintiff's expenses or the Plan of Allocation. Any such objection must be mailed or delivered such that it is received by the Court no later than May 22, 2014:

Clerk of the Court
United States District Court
Southern District of California
333 West Broadway, Suite 420
San Diego, CA 92101

19. What is the difference between objecting and excluding myself from the Settlement?

Objecting is telling the Court that you do not like something about the proposed Settlement. You can object *only* if you stay in the Class. Excluding yourself is telling the Court that you do not want to be part of the Class. If you exclude yourself, you have no basis to object because the case no longer applies to you.

THE COURT'S FAIRNESS HEARING

The Court will hold a hearing to decide whether to approve the proposed Settlement. You may attend, but you do not have to.

20. When and where will the Court decide whether to approve the Settlement?

The Court will hold a hearing at 3:00 p.m., on June 20, 2014, at the United States District Court, Southern District of California, 221 West Broadway, Courtroom 4C, San Diego, CA 92101. At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. If there are objections, the Court will consider them. The Court will listen to people who have

asked to speak at the hearing. The Court will also decide whether to approve the payment of fees and expenses to Lead Plaintiff's counsel, Lead Plaintiff's expenses and the Plan of Allocation. We do not know how long the hearing will take or whether the Court will make its decision on the day of the hearing or sometime later.

21. Do I have to come to the hearing?

No. Lead Plaintiff's counsel will answer questions Judge Bencivengo may have. But, you are welcome to come at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but you are not required to do so.

22. May I speak at the hearing?

You may ask the Court for permission to speak at the hearing. To do so, you must send a letter saying that it is your intention to appear in *Construction Workers Pension Trust Fund-Lake County and Vicinity v. Genoptix, Inc., et al.*, Master File No. 3:10-cv-02502-CAB-DHB. Be sure to include your name, address, telephone number, your signature, and the number of Genoptix common stock and/or put and call options purchased or acquired between July 31, 2009 and June 16, 2010, inclusive. Your notice of intention to appear must be received no later than May 22, 2014 by the Clerk of the Court at the address listed in Question 18. You cannot speak at the hearing if you exclude yourself from the Class.

IF YOU DO NOTHING

23. What happens if I do nothing at all?

If you do nothing, you will get no money from this Settlement. But, unless you exclude yourself, you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against the Defendants or their Related Parties about the same issues in this case.
